Dear Mr. Wong Loke Song,

TESTIMONIAL OF SERVICES

We would like to acknowledge your great work through tireless consultancy assistance during our OHSAS 18001:2007 project and your contribution has led us towards a record breaking certification. Getting ZERO negative observation and completing the project in less than four months is not an easy task but we managed to do it with your dedicated coaching & mentoring approach.

I would personally like to say thank you to you for your systematic consultancy approaches and practically assisting me throughout our OHSAS 18001:2007 project. Your great work and quality mentorship is highly appreciated.

I will not hesitate to recommend you to others should I being referred as you are a very committed, reliable and result orientated consultant.

Thank You.

Yours Sincerely,
