Dear Mr Tan,

**RE: TESTIMONIAL FOR THE ISO 9001:2008 CERTIFICATION PROJECT**

We would like to acknowledge Ms. Eileen Ong's great work through tireless consultancy assistance during our recent ISO 9001:2008 project and her contribution has led us towards a record breaking certification. Completing the project in less than 3 months is not an easy task but we managed to do it with her dedicated coaching and mentoring approach in meeting our internal operational requirements.

We once again would like to express our utmost appreciation for your sheer professionalism, assistance and committed efforts throughout the project.

We would be most glad to provide references to any your client, if needed. We look forward to working with Cambridge Management again in the near future.

Thank you.

Yours sincerely,
