Dear KH,

**RE: TESTIMONIAL FOR THE ISO 9001:2008 Consultancy & Training Services**

We are glad to achieve the ISO 9001 certification from BUREAU VERITAS CERTIFICATION for three companies i.e. Rapid M&E Works Sdn Bhd, Rapid Packing Sdn Bhd and Indah Workforce Sdn Bhd at the same time. To our great surprise, the certification was achieved without any nonconformity raised!

We would like to express our special thanks to Cambridge Management in assisting us for the achievement of ISO 9001 certification. Thank you for the guidance, patience and quality services rendered by the ISO consultant throughout the certification project. It is great that the certification process was quite smooth and easy when the procedures are customised according to our existing process.

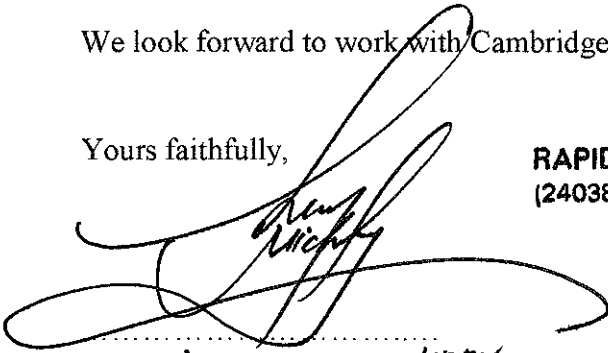

We will definitely continue to improve our ISO processes and put more effort to ensure the maintenance and implementation of the Quality Management System with continuous support, training and consultancy services from Cambridge Management.

We look forward to work with Cambridge Management again in near future. Thank you.

Yours faithfully,
